*Please call
877-717-0085 for our
holiday visitation schedule.*

Your care, support and cooperation are appreciated by our patients and staff.

Please read our Visitation Guidelines carefully.

As an inpatient hospital, we must protect our patients, staff and visitors' health, rights and safety above all else.

- Arrive ½ hour early to make your check in easier.
- The maximum number of visitors is 2 adults at any one time.
- Aurora provides the patient with basic personal hygiene items.
- Keep additional clothing to a minimum of 2 changes.
- If you have been exposed or are experiencing flu symptoms, for everyone's sake please do not enter hospital property.

Purses, Backpacks, Bags & Cell Phones

Leave these items locked in the trunk of your car.

Visitor I.D.

Upon arrival check in with the Receptionist for a visitor I.D.

The I.D. will need to be returned when your visit is over.

Children

Visitors must be at least 18 years of age.

Children may not be left alone in the lobby.

Pin

You **MUST** have a pin # to visit a patient or receive any information regarding that patient.

This is a state law.

Food & Drink

Please do not bring these into the hospital while you are visiting.

Flowers & Balloons

We suggest you wait for the patient to return home to present these items.

If you do bring them in they will be kept at the nurses' station.

Thank You!

**We hope you enjoy your visit.
Your support is appreciated.**
